

Page High School Tardy Policy

If a child is going to be late to school, they must sign in with the attendance secretary in the front office. Please take note that each student will receive a free tardy each semester. After their free tardy, a detention will be assigned if the reason they are tardy is unexcused.

Detentions are held after school Tuesday and Thursdays. If you know your student will be tardy, please send in a written note explaining the reason for being tardy. Please include a phone number to call for verification. If they were at a doctor's appointment, please send in an excuse note from the doctor's office.

If a student is tardy Friday school will be assigned. This is per 9 weeks. If a student is tardy four times, then a call will be made to the parent and ISS will be assigned. This is also per 9 weeks. Please keep in mind that if a senior is assigned ISS, then they are no longer able to qualify for senior exemptions.
