Permission for WCS Students to Access Personal Twitter Accounts for Educational Purposes

All communication conducted electronically between a WCS employee and a student shall be for the purpose of official business of Williamson County Schools. Student access to twitter during the school day or during school activities may only take place with the permission of the parent/guardian.

Your signature below gives permission for your student to communicate using twitter with authorized WCS personnel during the school day or school activities within the guidelines established in the BYOT Acceptable Use, Media Release, and Internet Safety Procedures. Further, you are acknowledging that student twitter accounts are not managed nor monitored by Williamson County Schools beyond the scope of tweets by WCS authorized users which are for the official business of Williamson County Schools.

The duration of the agreement is for the school year of the signature date.
