

Check Point training is required for any student who has never had a RHS parking permit. The training must be completed before a student is allowed to park on campus. The student must attend with one parent and training is offered each month throughout the year. At the end of the training, the student and parent sign a Safe Driving Agreement. The agreement, a completed RHS parking permit application signed by a parent, and the student's driver's license are required to obtain a parking pass. Parking fees are \$15.00 for underclassmen and \$5.00 for seniors. The Student Services office handles all parking needs.
