Cell Phone Contract

I know that having a cell phone to use is a privilege. I understand that my parents love me and want to keep me safe. My parents respect that I am becoming a young adult and want the privilege of having the use of a cell phone. With that in mind, I agree that:

1. My cell phone must be turned off by my bedtime and placed in an agreed upon location.
2. During family meals my cell phone will be silenced and away from the table and I will not check texts or take calls during meal time.
3. I will make sure my phone is turned off or silenced when I am in church or other quiet settings and will not text or take calls during those times.
4. I will obey all rules my school has regarding cell phone usage on school grounds.
5. I will not text while driving or ride in a car with someone who does.
6. I will not use my cell phone to take, send or receive pictures or video of nudity, violence or other unlawful activities.
7. I will not use my cell phone for malicious purposes such as bullying.
8. I understand that my parents can go through the contents of my phone at any time with or without my knowledge. I agree to surrender my phone and any passwords installed immediately to my parents if asked. I will not delete my texting history and will fully cooperate in showing my parents the contents of my cell phone including pictures, videos and text messages.
9. I will always respond to my mom or dad’s texts and/or calls.
10. I understand that my cell phone may be taken away for disrespectful or disobedient behavior, failure to maintain my grades or any other rules set forth by my parents.

I understand that failure to follow and respect any of these rules can result in the loss of my cell phone for any length of time determined by my parents.
