

Communication

Our primary form of communication to our families will be through email. Please be sure to clearly indicate your primary email address(es) on the emergency card for each child. If there is any change during the school year, please come into the office to make the adjustment to all applicable emergency cards. We will also utilize the school system's telephone notification system to relay important information to all families.

All teachers have an individual e-mail address and phone number.

Emergency Information

It is vitally important in times of emergency that the school is in possession of information that will enable us to promptly and directly reach the parents. Please be sure to return a completed blue dismissal form with contact information. If there are any changes through the year, please notify the office immediately. In the event of an early dismissal during the school day (such as inclement weather), we will follow the instructions as provided by you on the dismissal form.
