

## Volunteer and Parent Check-in

To ensure the safety of children, anyone entering the school **MUST** sign in at the front office and provide a **driver's license**. No one is permitted to go directly to a classroom. Items to be given to a student must be left in the front office.

**ALL** guests and visitors **MUST** enter the school through the front doors. You will not be let in through side or cafeteria doors.

In order to assure quality time for your school-age child, we ask that younger brothers/sisters not be brought to school while you are volunteering in the classroom.
