

AP Spanish Language and Culture Summer Reading

Students need to find and read online news articles in Spanish. For each article, students must write a 50 word summary of the article in Spanish, and a 50-word personal reaction in Spanish to the issue/event the articles describe.

Ideally, students do this about once every week of summer, so on August 27th, 2019, 10 articles, summaries and reactions will be due.
