

# AP Human Geography: 2019 Summer Reading Assignment

Due August 23, 2019

Prior to beginning AP Human Geography this fall, please, complete the following.

1. **Purchase the following book** - [\*Human Geography: Preparing for the Advanced Placement Examination\*](#), from AMSCO Publications. **YOU WILL NEED THIS TEXT FOR THE SCHOOL YEAR.**
2. **Read & annotate** the first two chapters of the text:  
Ch 1- The Spatial Perspective and Ch 2 - Patterns and Processes  
(Please, write in your AMSCO book using the **annotation chart provided on the back of this sheet**)
3. **Written assignment**  
**Choose ONE additional chapter** (from the list below) **to read and annotate.** Again, use the annotation chart.

Next, **write a 500 word essay** responding to the essential question from the chapter you annotated (see the list below). Read and annotate the chapter first, then outline/rough draft your response, then write. The assignment needs to be double spaced, twelve point font, Times New Roman.

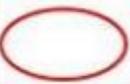

*Remember, a response is based on your inferences from reading the chapter as well as what you believe to be true using evidence from the chapter. There is no correct answer; just your best supported answer.*

Chapter	Essential Question	Page
4	What are the political, social, and economic consequences of the rapid population growth of the past 200 years?	54
5	How does migration impact society?	73
6	How do folk and popular cultures differ in the ways they help form a society's overall culture?	91
7	What do the spread of and changes in languages tell about the culture of the world?	106
8	How do religious and ethnic groups both reflect and influence the geography of places at different scales?	120
10	How do boundaries reflect ideas of territoriality and political power on various scales?	153
11	How has globalization changed the way people live?	174
13	Why does agriculture vary so greatly around the world?	209
15	How did the diffusion of industrialism affect people around the world?	247
17	What does development mean, how can it be measured, and how can it be encouraged?	280
20	What are the challenges facing cities around the world, and how are cities responding to these challenges?	337

If you have any questions or concerns please feel free to email me at [matthewh1@wcs.edu](mailto:matthewh1@wcs.edu).

Thanks! Mr. Hoek

## Annotation Chart

SYMBOL	MEANING
	This is important
<u>underline</u>	Key word or detail
	I understand this question/idea
