Mission Statement

Our purpose is to help our players to have a positive and successful football experience while teaching lessons and skills that will enhance their quality of life after football.

Player Expectations

Class

Class is always striving to do everything, even the little things, right. When you take great pride in something you will exhibit class whether you know it or not.

Hustle

Not every player has great ability but everyone can hustle 100% of the time.

Courage

Courage is not the absence of fear, but the willingness to overcome it and get the job done. Courage is pushing yourself hard enough in practice to get better at your position or in better shape. It is pushing yourself hard enough in the game to outperform your opponent.

Loyalty

Never take the opportunity to cut down anybody or anything associated with our PROGRAM. We will be greater than you can imagine if we care for each other and our PROGRAM.
Practice Attitude

Practice does not make perfect- Practice makes permanent. No matter what you do if you practice it long enough; it will become a part of you. Our practice attitude will be the key to our success as a team. When you practice, work to accomplish something, work to get better. Many people confuse activity with accomplishment, putting in time or attending workouts ensures nothing. Every practice, every workout, is an opportunity for you to get better individually and for us to get better as a team. The way we practice as a team will be the way we will play.
