

# SPRING STATION

## Middle School

*Mission Statement -- Spring Station exists to educate, engage, and nurture each student through meaningful experiences, positive relationships, and character development.*

### Important Reminder for 6th Grade Parents

The Tennessee Department of Health has immunization requirements for those who attend child care, pre-school, and school. The state's immunization requirements follow the current schedule published by the Centers for Disease Control and Prevention and endorsed by the American Academy of Pediatrics and American Academy of Family Physicians.

**All children entering seventh grade, including currently enrolled students, are required to have the following:**

- **Tetanus-diphtheria-pertussis booster (Tdap)**
- **Varicella**

Spring Break would be a great time to get your sixth grader's immunizations up-to-date so they can begin seventh grade on time. Make your doctor appointments now so you can get in during that break from school. Remember, if they are not completed by the first day of school in August, your student will not be allowed to start school!

**No Shots?  
No Records?  
NO SCHOOL!**

# A Note from the Nurse...

Currently, we have many students suffering with flu, strep, pink eye, vomiting and diarrhea. Please follow the WCS Illness Policy before sending your child to school. Again, if you have any questions regarding this, contact Nurse Joy.

To our sixth grade parents, please remember that your child is required to have certain immunizations before they are allowed to begin seventh grade. If you have any questions regarding this, please call Nurse Joy at 472-5088 or email her at [joye@wcs.edu](mailto:joye@wcs.edu). Make plans now to get your child in to see the doctor.

## Time to order your yearbook!

The yearbook staff has been working hard all year to preserve the unique history of THIS school year. Your student won't remember every text, Snapchat or Instagram post, but they will always have their yearbook.

To reserve a copy for your student, go to

**YearbookOrderCenter.com**

and use school code

**17524.**

This is the ONLY way to guarantee your student will receive a yearbook.

## Attention 8th grade parents:

There are still some spots available for 8th grade ads that go in the back of our yearbook. They can be purchased on the same page that you will order your yearbook, just click on the "buy ad" button. Make your student's yearbook all the more special by expressing how proud you are of them, as they (and you) prepare for their next adventure- high school!
