### Spring Fever is about to hit!

It is hard to believe, but our third quarter will be ending on March 15 and our final quarter of the year will begin. As you all know, this is one of the busiest times of the school year, but unfortunately Spring Fever tends to work its way in and will sometimes push our students off course. It is my hope, that with your help, we will be able to keep our students focused and end the school year strong.

Please remind your student of your expectations in not only their schoolwork, but also in regards to their behavior. Unfortunately, when that Spring Fever takes hold, all reasoning goes out the window. Both actions and words are important to keep control of during this time.

Be sure to continue to check your student's grades in Skyward. If you notice missing work, please ask your student about it and always know that you can reach out to the teacher at any time for clarification or help.

Finally, Spring Break begins on Monday, March 18. In the past, many students have been checked out early on the Friday before break begins. If this is something that you will need to do, please remember that our school policy states that you must send a note with your student detailing the reason and the time he/she will be picked up. It will need to be brought to the office that morning. If we do not receive a note, your student will not be able to be early dismissed that day. If you have questions about this, please contact the office ahead of time.

We appreciate your help with all of this!

Sincerely,

*Paula Pulliam*

Principal, Spring Station Middle School

# A Note from the Nurse...

Here are some friendly MARCH reminders:

- \* Please remember to follow the **WCS Illness Guidelines** when your child is sick. When you do this, it helps our students and staff stay healthy!
- \* Make sure the school secretary, Patricia Pfaender, AND Nurse Joy have current phone numbers on file for your student. If your child gets sick here at school, please have a plan in place as to who can pick them up within **ONE HOUR** of being called by the school nurse.
- \* Remember to always keep a copy of your child's immunization records at home. On occasion, schools can lose your copy, a doctor's office can close down, etc. Your child will need that immunization record when they go to college, so its best that you always have a copy. **If your child is entering 7th grade, make sure Nurse Joy has a copy asap!**
