ATTENDANCE

Excused and Unexcused Absences

Attendance is a key factor in student academic growth and achievement; therefore, students are expected to be present each day that school is in session. The principal is responsible for checking all reasons offered for excuses for absences. Conditions for which a student's absence may be excused are:

- Illness of a student. The principal may require a doctor's note.
- Illness in the immediate family that requires the absence of the student from school.
 - **Prior approval from the principal is required and a doctor's note may be requested.
- Death in the immediate family.
- Religious holidays – the principal may require a statement from the minister, or another recognized by the given religious group.
- Absences for other reasons may be excused, if in the judgment of the principal, circumstances warrant. (For complete language see Board Policies).

**Absences for reasons other than the above may be excused at the discretion of the principal if a written request is presented for consideration at least one week in advance. Requests should be sent via email to Jasonl@wcs.edu.

After a student's 8th absence, the student must have a doctor's note for all days that are missed. A parent note is not sufficient to excuse the absence.

In accordance with new state attendance guidelines, Williamson County Schools has implemented a Progressive Truancy Intervention Plan to monitor student attendance. Parents will be notified as unexcused absences accumulate to proactively help with truancy concerns.

- 3 unexcused absences - Parents will receive a phone call regarding unexcused absences.
- 5 unexcused absences - The principal/principal's designee will schedule a meeting with the student, parent(s), and school team members to provide needed supports while creating an attendance contract to monitor progress.
- If the student continues to accumulate unexcused absences, a school-based truancy board will evaluate progress and determine appropriate next steps which could include a truancy petition with juvenile court.

Returning From an Absence

A student who has been absent must present a note to the main office the day the student returns to school. Parents may also submit the excuse via email to the TSMS Attendance Secretary, at Melissao@wcs.edu. The note/email should include the student's first and last name, the number of days the student has been absent (include dates), the explanation of the absence, and the signature of the parent or guardian. If a student visits a doctor for an absence, please bring a note from the doctor's office to excuse the specific dates of absence.

Making Up Missed Work and Tests

All missed class work and tests from absences are expected to be made up in a timely manner upon returning to school. All make-up work should be completed for the first day missed within three days after the student returns to school. Make up work for days missed in succession will be due in the succeeding days following the third day. Please do not request work prior to a student's absence or during their absence. Parents may request work if a student has missed 3 consecutive days. Students are expected to make-up all tests and quizzes once all of the work related to the test or quiz has been completed. If a student misses a scheduled test due to **documented illness**, a teacher may allow one day per absence (with a maximum of 3 days allotted total following the student's return to school for a student to make-up.)

Tardy Students

All students are required to be in their assigned classroom by 7:40 AM. Students arriving inside the building after 7:38 (not in their classroom by 7:40), must be signed in by a parent/guardian in the main office. He/she is to receive a tardy pass to enter class. Excused tardies will need a parent or doctor note to be excused although a parent note does not guarantee a tardy will be excused. A regular pattern of morning tardies will result in consequences for the student and/or require a parent conference with administration. Parents are strongly urged to schedule dental and medical appointments outside of the school day.

Consequences for Unexcused Tardies to School

**Tardies will reset each semester.

- After 3 unexcused tardies: Wednesday afternoon detention (3:00-4:00 PM)
- 6 or more unexcused tardies: Wednesday afternoon detention (3:00-4:00 PM) **and** parent conference with administration

Early Dismissal

Parents should make an effort to contact the school office for early dismissal prior to student pick up. Students can only be signed out for early release by a parent, guardian, or other adult who is listed in Skyward as "Approved for Pick Up". The adult picking the student up early must be on the approved list and show a valid picture ID before the student will be called to the office. **This policy will be strictly enforced. In order to have a safe and orderly dismissal, early dismissals are not permitted after 2:15 p.m (or 10:45 AM on a half day).**

Excessive Absences, Tardies, or Early Dismissals

Students are responsible for assignments missed due to absence, tardiness, or early dismissal. If a student's unexcused absences, tardies, or early dismissals are deemed a consistent problem by administration, he/she may be required to attend an afterschool detention to complete missing assignments.

Athletic or Extracurricular Activities

Students who are ill and unable to attend school on the day of an athletic or extracurricular activity **WILL NOT** be permitted to participate on that date. Students involved in extracurricular and athletic activities are expected to arrive at school on time and remain in school for the entire day. Any exceptions to this policy must be approved by an administrator. If a student is serving an ISS or OSS and they are involved in extracurricular and athletic events they **WILL NOT** be permitted to participate.

Inclement Weather and Closing

The WCS central office will send out a phone call to notify all families that school will be dismissing early. Therefore, there is not a need to call the front office to inquire about school dismissing early. Every family should have a plan in place in case school should close early due to inclement weather. The school's phone system cannot handle the volume of last-minute phone calls to give students individual directions. Generally, it is best for the plan to be that the student will ride the bus home on any day school must close early. On such days, the buses are dismissed early enough to get the students home safely. All students should have a key or some other method of access to their homes in case of emergencies. All after school events are automatically cancelled if school closes early or there is no school.

TSMS CODE OF CONDUCT

Positive Behavior Interventions and Supports (PBIS)

School-Wide Student Expectations

TSMS is a PBIS school that focuses on positively reinforcing students for making good choices and having good behavior. We expect students to be respectful, responsible, take pride, and stay safe.

Take Pride

- Students will give their best effort and take pride in themselves and their school.
- Students will take pride in bringing all expected classroom materials, participate in all classroom activities, and complete all assignments to the best of their ability.
- Students will take pride by working to maintain a clean and well-presented school campus.
- Students will take pride in how they treat others, including guests, to our campus.

Show Respect

- At TSMS we believe it is essential that we treat others the way we want to be treated.
- Students will respect all adults, students, and school property.
- Students will avoid language or actions that are inappropriate or hurtful to others. Profanity or negative conversations about others should not take place at TSMS.
- Students will use good manners in all settings related to school.

Make Good Choices

- Students will act responsibly and make choices that positively impact themselves and the people around them.
- Students will arrive to school on time and stay all day.
- If you make a mistake, admit it, and accept responsibility for it.

Stay Safe

- Students should report any concerns, fears, or complaints to a staff member. **If you see something, say something!**
- Students' words and actions will reflect a commitment to the safety of themselves and others.

PBIS Points

TSMS believes in positively reinforcing students when they make great choices, particularly when they exceed the school's expectations. Students can earn PBIS Thunder Tokens throughout the year when going above and beyond in the areas of taking pride, showing respect, making good choices, and keeping themselves and others safe. Students can redeem their PBIS Thunder Tokens for various classroom and school-wide prizes throughout the school year.

PBIS Reward Parties

Students also have the opportunity, through making good choices, to attend nine week reward parties. These reward parties will take place at the end of each nine weeks. While they will vary in format, these parties are designed to celebrate students for making good choices, as evidenced by NOT earning a consequence for a Major Referral or an accumulation of five Minor Referrals.

STUDENT DISCIPLINE

Just as we have a proactive discipline plan for when students make good choices, we also have a reactive discipline plan for when students make negative choices. In addition to what is detailed below, each teacher may have additional expectations for their individual classrooms.

TSMS Imperatives

In order to provide an exemplary educational experience at Thompson's Station Middle School, we expect students to abide by the following rules.

- Student IDs must be worn and visible at all times.
- Students must have their agenda in class every day.
- Students must have permission and a pass to be allowed into the hallway during instructional time.
- **At all times**, TSMS students will consider the safety and well-being of TSES K-5 students by setting an excellent example in character, words, and actions.
- Students should not engage in public display of affection (PDA).

Lunchroom Behavior

- Students are expected to maintain the same level of control and noise level as they do in the classroom.
- In order to encourage appropriate social interaction, students are not allowed to bring or use electronic devices in the cafeteria.
- Students should stay in their seat at all times unless they are making a purchase or throwing trash away.
- Students are expected to dispose of their food/objects in the trash prior to leaving the cafeteria.
- If students do not follow these expectations as well as the TSMS Code of Conduct, referrals will be issued, silent lunches may be assigned, and students may be given a temporary seat in the cafeteria away from peers.

Bus Rules (Refer to WCS Board Policy 3.400 and WCS Dept. of Transportation Rules and Regulations)

Failure to obey the school bus driver may result in denial of school transportation rights. The decision regarding the disciplinary action is to be made by the school administrator. WCS Bus Transportation Rules and Policies can be found at the following website:

<https://www.wcs.edu/district/departments/transportation/bus-rules/>

Minor Referral Offenses

Teachers and staff will submit a Minor referral for committing Minor offenses. Minors include but are not limited to:

- 4th Minor per nine weeks = parent notification by phone or email and silent lunch assigned by staff member who issues the referral; administrative conference
- 5th Minor per nine weeks = parent notification by phone or email. Referral is submitted as a Major for administrative review and Wednesday after school detention (3:00 – 4:00) will be assigned.
- 6th Minor (and beyond) per nine weeks = Administrative Intervention. Consequences may include Silent Lunch(es), After school Detention, Saturday School, In-School Suspension, or other natural consequences deemed appropriate by administration based on the specific student behaviors.

*The accumulation of Minors will reset at the end of each nine weeks.

Major Level I Referral

- An accumulation of 5 or more Minor referrals

- Making or circulating a false report of bomb, fire, or other emergency will also carry with it discipline up to a year's suspension and a report to law enforcement.

Major Level III Consequences:

Out of school suspension/referral to Juvenile Court/ALC referral/expulsion to ALC.

***All discipline referrals (minors and majors) will be submitted and documented using the PBIS Referral System.**

BRING YOUR OWN TECHNOLOGY (BYOT)

For purposes of BYOT, "Technology" is defined as personally owned wireless, portable electronic equipment used **FOR INSTRUCTIONAL PURPOSES ONLY.**

Students' devices must be kept in lockers unless a teacher has informed them that they will be used in class for BYOT purposes. Cell phones and all other electronic devices are not allowed to be visible or used in the hallways, gym, auditorium, cafeterias, or restrooms.

Students in grades 3-12 may bring personal portable devices to school for instructional use. The use of personal technology to enhance learning is not a necessity, but rather a privilege. When abused, this privilege may be taken away. Any personal device used for instructional purposes must be able to access the Internet through the "WCS-Guest" network. All personal device internet access while at school must occur through the "WCS-Guest" network. Students are not permitted to use a cellular network adapter or other Wi-Fi networks to access the internet while at school.

Electronic Media Access:

An annual parental request is required prior to students being granted independent access to the school's technological resources. The required permission/agreement form will specify acceptable uses, rules of on-line behavior, access privileges, and penalties for misuse.

<https://www.wcs.edu/pdf/boe/policies/4406p-18.pdf>

When BYOT privileges are abused, TSMS will enforce the following policies:

BYOT – Minors

****Students will receive a minor referral for the following choices:**

- Possession of an electronic device without staff permission
- Evidence of student using device during the school day without staff permission
 - This includes communication with parents/guardians.
 - Students should ask for permission from a staff member before using a personal device to text/call/message a parent/guardian.
- Using electronic device for a non-academic purpose (i.e. texting, playing games, listening to music etc.) without staff permission
- Using electronic device without accessing WCS guest network
- Causing class disruption with electronic devices (alarms, ringtones, etc. going off at inappropriate times)

BYOT – Minor Consequences

Students will earn minors for BYOT and therefore are subject to consequences as laid out in the Minor Consequences section of the TSMS Code of Conduct. In addition to these consequences, student privileges of use are subject to loss for a period of time shown below.

- 3rd BYOT Infraction – Loss of use of any electronic device for 5 days
- 4th BYOT Infraction – Loss of use of any electronic device for 4 weeks
- 5th BYOT Infraction – Loss of use of use of any electronic device for 8 weeks
- 6th BYOT Infraction – Loss of use of any electronic device for remainder of the school year.

In addition to losing use of device at school for a period determined by administration, consequences may include Silent Lunch, After-school Detention, Saturday School, In-School Suspension, or another natural consequence deemed appropriate by administration based on the specific student behaviors.

BYOT – Major Level II/III Referral

**Follow code of conduct procedures for immediate administrative referral to administration.

- Use of WCS provided email account that includes profanity, obscenity, or offensive language
- Threats of personal injury
- Harassment/Intimidation – using technology for the purpose of harassing, intimidating, or threatening to harm others.
- Communication that would be in violation of the law (i.e. theft, major vandalism of school property, threats to harm others, selling, delivering, or distributing counterfeit or controlled substances, etc.)

BYOT – Major Level II/III Consequences

Consequences for behavior that administration deems Major Level II or III will be at the discretion of administration based on the severity and impact of the behavior.

In addition to other consequences listed previously for Major Level I, administration will have discretion to assign Out of School suspension and/or referral to Williamson County Juvenile Court and/or referral to Alternative Learning Center.

Description of Consequences

Silent Lunch

Students may be assigned a silent/working lunch for the following reasons: (Minor/Major referrals, missing work, unsatisfactory lunchroom behavior, etc.) Students who are assigned a silent lunch will be notified by the staff member who assigns it and will be placed on a list that will be checked daily by staff supervising in the cafeteria. Students assigned silent lunch should bring their lunch, or purchase their lunch, and proceed immediately at the beginning of

the period to the designated silent lunch space. Failure to report to the assigned silent lunch space, work silently, and/or otherwise follow staff instructions may lead to additional consequences being assigned.

After School Detention

After school detentions will take place on Wednesday afternoons from 3-4 PM. Students assigned an after school detention must report to the designated area no later than 3:00 PM on the day they have been assigned. Students will not be permitted to return to their lockers and should bring with them something with an academic purpose to complete. Failure to work silently and otherwise follow the supervising staff's instructions during detention may result in an additional consequence being assigned. If the detention was assigned for missing academic work, the supervising staff will have copies of the missing work to provide the student. Failure to turn in the completed missing work by the Thursday morning following the academic detention may result in additional consequences being assigned.

Saturday School

Saturday School will be assigned from 7:00 – 9:00 AM certain Saturdays each month. Rules for Saturday School are as follows:

- Must be on time. Students may not be allowed to attend Saturday School if they arrive after 7:00 AM or extra time will be added on for students who arrive after the designated time. If a student is not allowed in after 7:00 AM, TSMS administration will determine whether the student is able to reschedule or be assigned to In-School Suspension.
- Saturday School can be rescheduled only one time with parent's written or verbal communication with the TSMS administration.
- Students who do not attend Saturday School without communication between parents and TSMS administration will result in one day of In-School Suspension.

In-School Suspension

In-School Suspension (ISS) is another discipline alternative which the administration may assign. Students who are assigned ISS are required to comply with all instructions of supervising staff. Students will be required to complete class work and make-up tests and quizzes. Students in ISS should report to the office upon arriving at school.

- Students may bring a lunch or will be permitted to purchase lunch from the cafeteria. Students must work on their class work the entire day.
- Each classroom teacher will assign the student work that needs to be completed while in ISS. Students will turn in all ISS work to the classroom teacher when the student returns to class.

Out of School Suspension

Out of School Suspension (OSS) is another discipline alternative which the administration may assign. Students assigned OSS will not be permitted to attend school or any school events or activities during the designated suspension. This includes participation on school sports and activities or attending any event at TSMS either during the school day or after school.

ACADEMIC INTEGRITY POLICY

At Thompson's Station Middle School, we believe the development of *character* is the foundation of good citizenship. Individual students are solely responsible for their own work and will be held accountable for any actions that undermine this premise.

Definition: Academic dishonesty falls under two basic categories – Cheating and Plagiarism

Cheating is defined as, but not limited to, the following:

- By both copying from another student's work as well as allowing your work to be copied.
- By giving or receiving answers during a test, quiz, or any other assignments without your teacher's approval. This includes working on assignments together when the teacher has not given explicit permission.
- By using electronic means (such as text messaging, email, pictures, etc.) to copy homework assignments, projects, or communicate test answers.
 - Referring to a book, person, or any other resource while you are taking a test or quiz.
 - Obtaining, possessing, using, or distributing tests, quizzes, answer keys, teacher manuals or teacher textbooks, etc.

Plagiarism is defined as, but not limited to, the following:

- Representing the work of others as one's own work. Copying another author's work from any source and turning it in as your own ideas and writing.
 - Not using quotation marks, and/or proper citation to denote material that has been directly quoted from another source.
 - Paraphrasing an author without giving proper citation.
 - Violating copyright laws by not following fair use guidelines.

Consequences for violating Academic Integrity Policy

Cheating and Plagiarism are considered Major Referrals. Progressive discipline, as noted in the major referral consequences in the TSMS discipline policy, will apply.

DRESS CODE

In order for WCS to maintain a safe learning environment that minimizes distractions, the minimum standards for acceptable clothing during the school day are as follows:

- Tops of shoulders must have a minimum of a 1-inch strap unless otherwise covered by an opaque top garment.
- Skin and undergarments **must be covered** with opaque clothing from the **underarm to mid-thigh (This includes holes in jeans exposing skin above the mid-thigh area and athletic shorts that do not come down to the mid-thigh area)**.
 - Mid-thigh is defined as the mid-point between the waist and mid-knee.
 - A good measure for this length is for the student to stand straight and place his/her arms down to the side of the leg with the garment still being held at

waist-level. For a mid-thigh measurement, the bottom hem of the garment should not be shorter than the middle finger pressed against the outer thigh.

- All pants, trousers, shorts and skirts must be held at the waist.
- Pajamas or pajama pants are not allowed except on special days. (Blankets are not allowed.)
- Leggings and other compression-style garments may be worn so long as an opaque top garment covers the private body parts (front and back).
- Hats may not be worn in the building without the permission of building administration.
- Appropriate shoes are required.
- Any type of clothing, apparel or accessory, including that which denotes such students' membership in or affiliation with any gang associated with criminal activities is not permitted (TCA 49-6-4215).
- Any apparel or dress that advertises or promotes products or activity prohibited by law or by the Board of Education is prohibited (e.g., profanity, illustrations, or suggestive language, etc.).
- Student uniforms related to student extra-curricular activities (band, cheerleading, dance, sports team, etc.) must be in compliance with this policy during the academic day.
- Any apparel or dress that is potentially disruptive to the learning environment or educational process is not permitted.
- Any apparel or dress that is dangerous to the health or safety of students or the lawful, peaceful operation of the school is not permitted.
- Administrators and teachers shall enforce the dress code policy. The principal or his/her designee shall be the final judge as to compliance with the dress code.

Dress code will be checked and enforced daily. Teachers will refer students who are in question of violating the dress code to the main office and administrators or designee will enforce the dress code policy. Students that are deemed to wear inappropriate clothing will be given a minor referral and asked to call home for a change of clothes to be brought to school. If a change of clothes cannot be brought to school, the student will be provided clothes to wear that are within dress code or removed from the general education setting for the day.

GRADING AND PROGRESS REPORTING

The assessment and reporting of student progress to parents is critical to an effective home/school partnership. It is our goal that students, teachers, parents, and administrators work together to help students reach their maximum potential.

Family Access / Skyward

Parents and students are expected to set up a Family Access account to monitor students' academic performance as grades are entered in the teachers' grade books. Through Family Access triggers can be set so that an email is sent when your child's grade drops below a designated numerical average. To set up a Family Access account, please visit the [TSMS Website](#). Look in the top blue bar and select Skyward. You will need a WCS-issued

username and password to activate your account. **Please bring a photo ID to pick up this information at TSMS during school hours.**

Progress Reports

Grades are updated in Family Access for progress reports at the halfway mark (4.5 weeks) of the 9-week reporting period. Parents can access these grades electronically through the Family Access account. If you desire a hard copy of your progress report, please contact the main office at TSMS.

Report Cards

Report Cards are generated at the end of each nine-week grading period into a PDF file in your Family Access account.

WCS Grading Scale

A	91-100
B	81-90
C	72-80
D	70-71
F	0-69
I	Incomplete (must be removed during the next grading period)

Academic Intervention Detention (A.I.D.)

It is the expectation of TSMS that all students diligently complete all academic assignments. If a teacher assigns the work, then the student should complete the work. To this end, TSMS has designed an Academic Intervention Detention (A.I.D.) in order to support students in completing all assignments. Students can be assigned to A.I.D. for either of the following two reasons:

- The student is missing multiple (2 or more) assignments.
- The student is failing a class due to a missing assignment.

Students will receive an A.I.D. form from their teacher assigning them to the intervention time. Parents will be contacted by the teacher to confirm the scheduled date of the detention. Parents will be contacted to confirm the time A.I.D. should be served. A.I.D. is from 3:00-4:00 on Wednesday afternoons. After a student attends A.I.D., the work is expected to be turned in by Thursday morning (the next day). If a student fails to do so, then the student will be assigned to Saturday school to complete the missing assignment(s). At any time throughout this process, a student **cannot** turn in the missing work to avoid attending the A.I.D. or Saturday School. Once the teacher has assigned the A.I.D. or Saturday School the student must attend the intervention time.

*At the discretion of administration and the counseling department, students may also be subject to academic working lunches if grades fall below passing or they have missing assignments.

Promotion/Retention

In grades 6-8, students must pass with an average of 70% in language arts, math, science, and social studies. Principals may require students who are failing coursework to attend remediation after school, during study hall, or in summer school as a condition for promotion. The final decision for promotion/retention rests with school personnel.

School Closing

Parents of students attending Williamson County Schools will receive school closing notifications on their phone and on Facebook, through email and Twitter. Parents will be contacted by phone and email if schools are closed due to hazardous travel conditions. The district's phone notification system continues to be used by the school district and individual

schools to notify parents of school closings and other important information. In addition, parents, students and staff may “like” the school district FACEBOOK PAGE and follow the district on TWITTER to receive the district’s school closing information. In addition, school closing information will still be available on the Williamson County Schools cable access channels (Comcast 3, Charter 96, AT&T 99) and local radio station WAKM AM 950. School closing information can also be found on the front page of the district WEBSITE, just below the Twitter icon, and many Nashville area television stations will also broadcast school closings and early dismissal information. In Middle Tennessee, any type of inclement weather, including snow, ice and flooding, can cause schools to close, along with extended power outages.

Parent-School Communication

Ongoing communication from school to home and from home to school is essential to working together as partners in providing excellence in education for all students. Your ideas, questions, and concerns are important to the entire TSMS Team. We welcome your notes, calls, and visits. Listed below are ways we work to communicate with parents:

- 1) Parent Handbook
- 2) PTO meetings, PTO newsletter, and PTO Facebook Page
- 3) Parent Open House Nights
- 4) Twitter @wcstsms
- 5) Weekly Classroom/Grade level Newsletters
- 6) Newsletter from the Principal sent via email
- 7) School Web Page – <https://www.wcs.edu/tsms>
- 8) Phone call-outs from the Principal

If school is dismissed early due to weather or other emergency conditions, the school will follow the dismissal plan on each child’s emergency dismissal form on file in the office.

Visitors

All visitors are required to present a valid photo ID (driver’s license or work ID), sign in at the TSMS main office, and receive a visitor’s badge before entering the building. **Student visitors from other schools are not allowed at TSMS.**

Lost and Found

Lost and Found items will be collected and organized by TSMS PTO. Please label student’s clothing and other belongings. At the end of the month, lost and found items not claimed or not labeled will be donated to charity.

Medication

Medication procedures are consistent with *State of Tennessee Law 49-5-415* and are implemented in schools countywide. The intent of this legislation is to assure the safe

administration of medications to children in school who require them. Please be aware of the following:

- 1) The school must have an authorization form completed by the physician and the parent. These forms are available in the office.
- 2) Parents, or legal guardians, must bring their child's medication into school. Students are not allowed to bring in their own medication. This includes prescription as well as non-prescription medication. Empty prescription bottles may be given to the student to take home, unless you inform the school otherwise.
- 3) No medication will be given unless it is in a properly labeled pharmacy bottle and matches the doctor's orders exactly (only one-week supply at a time). If your child is taking an antibiotic that is prescribed for three times per day, parents should administer the medication before school, after school, and at bedtime. **DO NOT** send the antibiotic to school.
- 4) If you are supplying over-the-counter medication, you must fill out the authorization form available in the school office. All non-prescription drugs need to be in the original manufacturer's bottle with the student's name affixed to the bottle. Parents can supply a bottle for the entire school year.
- 5) The school is required to designate school personnel to give students medications on field trips. However, if you do not want your child to receive medication on a field trip, you will need to put the request in writing.

Nurse

Williamson County School Nurses prioritize their school day according to types of medical issues that students have within the individual school (s) assigned to them. Students requiring licensed nurse procedures and students with emergency and/or individualized health care plans are the nurses' top priorities. WCS nurses coordinate and oversee the school health clinics in each of our schools, perform licensed nurse procedures, and annual or as needed health screenings. Nurses are available to consult with parents/guardians regarding health issues that impact student performance and attendance at school. If students have medical needs requiring accommodations for them to be able to participate in their education in a school setting, or needs for individualized health care plans, the school nurse will work with the student's parent/guardian and health care provider as needed to develop the plans and/or accommodations needed to ensure that the student's safety and well-being will be maintained in the school setting.

- WCS Health and Illness policies can be accessed at <http://www.wcs.edu/departments/health-services/>
- TSMS School Nurse, Erin Cofer, can be reached at erin.cofer@wcs.edu or 615-472-5365.

Messages and Deliveries

Messages and deliveries to students from parents need to be handled by the main office rather than texting your child or calling or e-mailing the classroom and interrupting learning. **Parents should not text their child while at school as this disrupts the learning environment.** If you must get something to your child, please bring it to the TSMS front office by **11:30**, students will have the opportunity to come to the front office

to receive the message or pick up the item. Please put your child's name on the item or lunch. **Parents are not allowed to bring their child a lunch from an outside restaurant.** TSMS staff cannot guarantee that items left at the office will be picked up by the student as it is always the student's responsibility to bring necessary materials and equipment to school each day. Deliveries of flowers, balloons, cupcakes, etc. are not allowed.

Parent Volunteers

We welcome and appreciate parent volunteers at TSMS! We ask that parents adhere to the following procedures in order to protect our students and classroom instructional time. Williamson County has a three-tiered volunteer guideline to protect children and to continue to maintain the high levels of volunteerism that we enjoy in our district. The three tiers include:

- **Tier 1**-Someone who volunteers occasionally and in a highly public setting with little or no contact with students and who is under constant supervision by Williamson County Schools personnel will not be required to complete a volunteer application or a criminal background check. A volunteer fitting this example might be someone working at a school field day or fundraising or making an occasional classroom visit.
- **Tier 2**-Regular volunteers with student contact under constant supervision of Williamson County personnel must complete a volunteer application and a confidentiality agreement acknowledging FERPA (student confidentiality) requirements. A volunteer fitting this example might include a room parent, class readers, and front door reception. A new application must be completed each new school year.
- **Tier 3**-Volunteers who have unsupervised contact with students on or off campus will be required to complete a volunteer application and confidentiality agreement and have a criminal background fingerprint check through the Williamson County Schools Human Resources.

Procedures for Volunteers

- Please complete the volunteer application and turn in to the office.
- **If you intend to go on field trips or volunteer in a Tier 3 capacity, please get your background check completed early.**
- When you come to volunteer, please sign in with the main office and obtain a volunteer badge.

Pet Policy

Due to allergies and potential safety concerns, pets are not allowed in the school building or on the school campus.

Photography and Video

Following are the guidelines from the WCS Communications Department regarding parents taking photographs at school events. The purpose of the guidelines is to address problems that have occurred at some schools when parents have taken pictures at school and posted them to online social media sites.

- Parents are advised not to post on social media any pictures taken at school that include any children other than their own.

- Picture-taking at non-public school events: These events occur before, during, and after school and include class parties, field trips, assemblies to which the public is not invited (ex. grade level musicals during the school day, etc.) Parents are encouraged to take photos/video of their own children but should not take photos/video of other children.
- Picture-taking at public school events: This includes events that are open to the public such as Back to School Bash, PTO events, etc. Parents may take photos at public school events that include other people's children but are discouraged from posting these photos to social media.

Parent Teacher Organization

We encourage all TSMS parents to become active in PTO. When sending in money or notes to PTO, please have information sent in an envelope with “PTO” written on it. Board policy prohibits teachers from collecting money on behalf of our PTO. Parents can find information about joining PTO, volunteering, and upcoming events at the following website:

<https://tsmspto.membershiptoolkit.com/>

Pledge of Allegiance – Tennessee State Law – (TCA 49-6-1001)

As required by our School Board and TN State Law, students will recite the Pledge of Allegiance to the flag each day at a designated time. Students will stand and recite the Pledge while facing the flag with their right hands over their hearts. No student will be compelled if the student or the student’s parents or legal guardians object on religious, philosophical or other grounds to the student participating in such exercise. Students not participating will remain quietly standing while others recite the Pledge of Allegiance and shall make no display that disrupts or distracts others who are reciting the Pledge.

Moment of Silence

Mandated by State Law Tennessee State law requires that a period of silence shall be observed each school day. School administrators shall provide for the observance of a period of silence each school day. Teachers and other school officials must maintain official neutrality by neither encouraging nor discouraging prayer nor other religious exercise during the moment of silence. School administrators may designate staff, students, or teachers who volunteer to announce the moment of silence. Teachers or other school officials must supervise students during the moment of silence.

School Immunization Law, Chapter 76, Section 15

“No child shall, except as hereinafter provided, be admitted to school except upon presentation of a physician’s certificate, that the child has been successfully immunized against diphtheria, pertussis, tetanus, poliomyelitis, mumps, and rubella.” Requirements for Kindergarten also include immunizations against hepatitis B and chicken pox (or physician-documented history of disease)

NOTE: Children exempt from physical examination and immunizations must present a statement signed by the parent or guardian upon enrollment.

Toys, Electronics, and Items from Home

Students are not allowed to bring computer games, electronic gaming devices, iPods, MP3 players, toys, virtual pets, trading cards, etc. to school. Our goal is to keep students focused on learning. Any exceptions to this policy will be communicated to the parents from the teacher. Electronics that are brought to school will be taken up by the teacher and given to the office. They will remain in the possession of school administration until a parent comes to retrieve them. **Please note that TSMS faculty is not liable or responsible for any lost or stolen cell phones, electronics, or other nonacademic related items; thus we ask students to leave them at home.**

School Safety

TSMS adheres to the Williamson County's Crisis Intervention Plan. School safety policies have been established as follows:

- All visitors must enter the building through the front office door; all other doors remain locked during the school day.
- Parents, visitors and volunteers must sign in and out in the office and wear a TSMS visitor sticker or WCS volunteer badge.
- Parents and volunteers must schedule appointments to visit classrooms.
- School personnel escort visitors touring the school.
- Parking is only allowed in designated parking places.
- Emergency drills are scheduled for the year according to state law.
- A State Fire Marshall inspects the school to ensure fire safety policies are followed.
- Office personnel must verify the identification of individuals when releasing a student. Parents must communicate in writing giving permission for someone other than the parent to pick up student.
- Students are expected to follow safety guidelines established by the school and teachers.
- Teachers and teacher assistants supervise students and direct traffic during arrival and dismissal following safety policies.
- A student information form is on file in the office with the student's updated emergency information. This form is sent home at the beginning of the school year for parents to complete. **Please notify the office immediately if there are any changes to this information.**

Weapons

No weapons of any kind are allowed in school. Any item that constitutes a weapon will be confiscated and appropriate disciplinary action will be taken.

Withdrawal Procedures

If a move or other circumstance requires a withdrawal from school, a withdrawal form must be completed. All textbooks must be turned in and a student must be in good financial standing with the library and cafeteria. Once all of the qualifications are met, a parent/legal guardian may withdraw a student from school.

Transportation

Car Riders

Students must be picked up no later than 3:15 PM. Parents of students left after 3:15 PM will be notified that they are in violation of school policy and their child may be required to ride the bus home for the remainder of the school year.

Afternoon Transportation Changes

Changes in afternoon transportation should be made before 2:00 PM. Phone calls will not be accepted except in case of emergency. Parents must send an email to the student's team of teachers, Beth Duryea (elizabeth.duryea@wcs.edu), AND Melissa Oberstaedt (melissao@wcs.edu) or fax a note to 615-472-5369.

Riding Home on a Different Bus:

A student should only ride the bus to which he or she has been assigned by the WCS Transportation Department. Any student who needs to ride home with another student should follow the following steps:

- Students must have a note written and signed by the parent or guardian.
- This note must be brought to the office each day the student plans on riding another bus.
- The office will issue a TSMS bus pass.
- The student must present the bus pass to the driver upon getting on the bus.

****A bus driver is not allowed to accept a bus pass that is not issued by the TSMS front office. A bus pass is only good for the day it is issued by the TSMS office. Phone calls and emails are not sufficient for receiving a bus pass, because it would be a violation of the state law concerning this issue.**

Textbooks

Students must pay for lost or damaged textbooks and library books issued by TSMS. School records will be withheld if books are not returned or the fine is not cleared.

Lockers

Hall lockers are assigned to students at the beginning of the school year. Lockers should be locked at all times. Students should not give their locker combinations to anyone, and they should not set their locker so that the locker opens automatically or by just turning the dial slightly. This is for student protection and safety since students are responsible for whatever is found in their lockers. Any problems with locks or lockers should be reported to the TSMS administration. Lockers can be searched by school officials. Lockers can be taken away from a student for not following the rules or being tardy to class because of their locker.

Counseling

Two school counselors are available to help and support students through their daily life at Thompson's Station Middle School. The school counselors meet regularly with the teachers as a part of the team effort in planning for the positive progress of all students.

School Counselor Services

- Individual and group counseling
- Classroom Guidance/Anti-Bullying Programs
- Student Support
- Parent Support
- Testing Consultation

Referrals by School Counselor

The school counselor may refer or help facilitate a referral of a parent or legal guardian's student to an outside counselor or therapist for mental health assessments or services. If a school counselor refers a student to a counselor or other mental health provider, the school nor the school counselor shall bear the expense of such services provided to the student.

Students Taking A Right Stand (S.T.A.R.S.)

S.T.A.R.S. is an organization that provides individual and group support for students in need at TSMS. The S.T.A.R.S. counselor assigned to our school partners with the TSMS counselors and faculty members to facilitate and co-facilitate the counseling program. Some of the issues discussed in counseling groups are alcohol and other drug abuse, tobacco, families in transition, grief, eating disorders, and bullying.

Breakfast and Lunch at the TSMS Café

Breakfast and lunch prices for WCS can be found at

<https://www.wcs.edu/district/departments/food/>. A la Carte items are sold as well. Parents can create an account at www.myschoolbucks.com. This account will allow you to deposit money in your child's lunch account at any time and track your child's daily purchase history. Students may add money to their personal account before school starts each day. To speed up lines in the cafeteria, money should not be deposited in student accounts during lunchtime.

Lunch Program

- WCS lunch menus are posted monthly at <https://www.wcs.edu/departments/food-services/>. Alternative lunches are available ala carte as well (salads and sandwiches).
- Cafeteria Expectations
 - Carbonated drinks are not allowed in the cafeteria.
 - Sharing of food is not allowed because of possible food allergies.
- Lunch Guests

Outside Food Policy

- At TSMS, we will honor student birthdays without the focus on food. Non-food items are permitted to be brought in for any child's birthday celebration as we welcome parents to celebrate in ways that promote a healthy lifestyle and maximize learning.
- All foods brought to school for scheduled school-wide celebrations must be pre-packaged with product ingredients listed. Food made at home may not be distributed during the school day or brought into the classroom.
- **Parents/guardians will not be allowed to bring outside restaurant food into the school cafeteria.**

Field Trips

Field trips are part of the regular academic day. However, the school must have written permission from the parent on file for a student to go on a field trip. Teachers will notify parents of time and dates of field trips. Permission forms will be sent home for parental signatures. WCS Policy directs that all students must ride the bus with the class, to and from all field trip locations. **For the safety of the students, no siblings are allowed on field trips.** Many times prepayments must be made to a venue as well as transportation costs being determined based on grade level enrollment. For these reasons, no refunds will be issued if your child does not attend a field trip. Payment for field trips must be made online or with a check/money order only (no cash payments). Any chaperone must be a Tier 3 volunteer, meaning they must have followed the steps necessary for a background check through WCS.

Library Media Center

The library media center is devoted to the learning enrichment of the TSMS students and faculty. Books, magazines, newspapers, and computer stations are available during the school day. There are workstations from which students have access to online resources, Microsoft Office, and additional software programs. A black and white printer is also available for student use.

Students are responsible for any damaged or lost library and/or textbooks. In order to participate in the quarterly Thunder Bash, students must meet all behavior requirements AND not have any overdue or lost books.

Fees and Fines

Fees approved by WCSB may be charged by schools for activities that occur during regular school hours, supplies required for participation in all courses offered for grades, equipment, and supplies required to participate in interscholastic athletics and band, and fees or tuition for summer school. The payment of school fees is voluntary. No fee will be charged to any student as a condition of attending school, but students shall be responsible for normal school supplies, such as pencils and paper. School fees are waived for students who are eligible to receive free or reduced-priced school lunches. **Applications are available in the school office.** Fines may be charged for overdue library books, lost, damaged or destroyed textbooks, library books, workbooks, or other school property.

School fees are defined as follows: 1. Fees for activities that occur during regular school hours; 2. Fees for activities and supplies required to participate in all courses offered for credit or grades; 3. Equipment and supplies required to participate in interscholastic athletics and band, if taken for credit; 4. Fees for a copy of the student's records; and 5. Refundable deposits for locks or other security devices required for protection of school property when used in conjunction with courses taken for credit or a grade.

CUSTODIAL OR PRIMARY CARE PARENTS AND GUARDIANS

Both parents will be given equal access to their child and that child's records unless TSMS office staff has been provided with a copy of an official/legal document that includes a case number, a Judge's signature, and is stamped "filed" with a court stating otherwise. Please provide the school office with a copy of any Court Order, Marital Dissolution Agreement, Parenting Plan, or other legal document which affects parental rights. If any changes occur during the school year, please provide us with a copy of the new document which has been stamped "filed" with the Court.

Assessment Information

Williamson County Students participate in both formative and summative assessments. Formative assessments are ongoing classroom assessments utilized to inform instruction. Examples include exit tickets, quizzes, unit tests, STAR universal screeners and benchmark assessments. Summative assessments typically take place at the end of a course. They are utilized to guide the school on overall approaches and strategies for instruction.

Students in grades 6-8 will participate in the district-wide reading and math STAR screener three times each year and a Benchmark Assessment at the end of each nine weeks. Students in

grades 6-8 will participate in state and district assessments. During assessment windows we ask that parents make every attempt to have students at school on time. No absences will be excused for family trips.

Please refer to the following link for information regarding district assessments including the assessment calendar. <https://www.google.com/url?q=http://www.wcs.edu/teaching-learning/assessment/&sa=D&ust=1493398408482000&usg=AFQjCNECfErlrdPAs0xcIACIAFDJOkRWpA>

Protecting Instructional Time

Uninterrupted instructional time in the classroom is vital to an environment conducive to teaching and learning. Please help us to ensure that this valuable time is protected and honored as a time free of distractions and interruptions. The following are ways parents can help protect and honor instructional time:

- Check to be sure students have needed items for school each day.
- Ensure that students arrive to school in time to be in their classrooms before 7:40 AM.
- Do not schedule appointments for students during the school day, if possible.
- Plan family vacations when school is not in session.
- Avoid early dismissal whenever possible.
- Keep all electronic games/devices and toys at home.

Co-Curricular Organizations

There are a variety of after school clubs and organizations offered to our students. Please visit <https://www.wcs.edu/TSMS/programs/extracurricular> for a complete listing of co-curricular organizations.

ATHLETICS

WCS sponsors a number of interscholastic sports for both girls and boys. Sports are offered based on the availability of coaches and sponsors and there is a fee with each sport. Below is a list of sports offered at Thompson's Station Middle School.

Sports Physical Information and FinalForms

Once you have obtained a physical form completed by a physician, you will need to make copies to give to the coaches on the first day of tryouts. **Please do not give a coach your original physical. They do not keep them after the season. If your child plays more than one sport, you will need a copy of your physical for each coach. Students will not be allowed to tryout without a physical.**

FinalForms: In addition to providing the coach with a hard copy of the sports physical, students are required by the WMAA to upload and update documents in the online Final Forms. Parents and students will need to visit wcs-tn.finalforms.com to setup an account, upload documents, and make changes to existing selections of sports to participate in.

Athletic Eligibility

For any athlete to play a game he or she must have attended school for at least one half of the school day on game day (7:40-11:15). If a student is serving an ISS or OSS and they are involved in extracurricular and athletic events, they **WILL NOT** be permitted to participate. To be eligible to participate on an athletic team, students must pass (70% or above) all four academic subjects: Language Arts, Math, Science, and Social Studies in the previous nine-week grading period. The previous nine-weeks grading period is the last nine-week grading period school was in session. Once a student makes a team, academic eligibility must be maintained. To ensure this is the case, during the sports season the following will occur:

- Coaches will provide TSMS administration with team rosters once teams are formed. Administration will share with subject area teachers.
- TSMS administration will set up an activity group in skyward with the team roster for coaches to access and monitor their players' grades throughout the season.
- TSMS administration and subject area teachers will certify those students with a passing grade (70% or above) at the end of each established nine-week grading period.
- Students whose grades in any of the four academic subjects listed above fall below 70% for the nine-week grading period will be placed on probation. Students on probation may practice, but not dress out or play in a game. Grades of students on probation will be checked each week. As soon as the grade has improved to an average of 70% or above, the student will be allowed to participate on the team, except that a student shall not dress out or play for at least one week after being placed on probation.
- For any student whose grade does not improve to an average of 70% or above in each of the four academic subjects by the mid-term progress report, that student will be suspended from participation until the next nine-week grading period.
- Principals are responsible for enforcing "probation and ineligibility status."
