Kindergarten
We will be working on composing and decomposing numbers 11-20.

1st Grade
We will be working on fractions by describing the whole using the number of equal parts it has.

2nd Grade
We will learn how to identify the theme in a poem and we will write a poem!

3rd Grade

4th Grade
In Social Studies this week students will be studying how the Constitution shaped our nation.

5th Grade
We will be working on volume by building shapes in math.

Related Arts
In music this week, Students are continuing to ID, sing and play AB patterns, playing ostinato patterns (repeated pattern) and reading musical scores.
