Woodland Parents,

Attached to this letter you will find a request for PTO Membership and PTO Invest in Your Child. Thank you to the many of you that have already joined PTO and sent in a tax deductible donation to our fundraiser, Invest in Your Child. If you have already returned the form during our welcome back days, please disregard the attached forms.

If you have not joined PTO please consider doing so today. Joining PTO allows you to receive access to the online directory, be an active member of the PTO, and helps fund the PTOs assistance with the school. This years directory will be made available online this fall. You will be able to update and access it at anytime. As you will see in the attached form WMS PTO membership is $15 per family.

The Fundraiser to benefit the school is Invest in Your Child. The funds have been and will continue to be used to provide additional resources for your child(ren)’s education and school improvements. Past funds have been used for additional laptops, printers, scanners, cameras, library books, continuing education for teachers, athletic banners, furniture and paint for the school, academic awards, assemblies and ceremonies just to name a few.

We are requesting a $100.00 per family tax deductible Invest donation but any amount would be greatly appreciated. Even if you cannot donate at this time, please return the invest document to the school. We will give a prize to 1 or 2 students per grade. In order to be considered for this prize your child must have returned the invest document.

Thanks in advance for you support!

Debbie Roth, WMS PTO President
Dana Garrad, WMS PTO Treasurer
