Website Location Moved

Eventually, all school server files will be moved to `\wcs-apps`

If you get the following window when you open Expression Web:

1. Click the Office Button in the bottom/left of your computer window
2. Type the following and Enter to see if that is the case:

3. If your files were moved, you will see the school initials in that window

To Open Your Site

1. Click Site on the menu
2. Open Site

3. Type the following in the location box
   *(instead of GMS, type your school initials if you see them in that window)*

4. Click Open
