Renaissance Place
Assigning Products

1. Log in with a school administrator account.

2. Under Renaissance Place, select Courses and Classes.

3. Locate the course name for which you want to assign the product. Most schools choose to assign the products to homeroom classes.

4. In the far right column, click Assign Products.

5. Select the check box beside Products.

6. Select the check box beside Class.

7. Click Assign.
